**SA CANOE ORIENTEERING
CHAMPIONSHIPS 1991
GOOLWA**
SCALE 1:25000
CONTOUR INTERVAL 10 METRES
GRID INTERVAL 1 KM

REPRODUCTION BY LASER SCANNING
BASE MAP PREPARED BY DEPT OF LANDS
Possession of this map does not confer right of entry to private land.
Permission except at this event must be sought from individual landowners.

The relationship between True North, Grid North and Magnetic North is shown diagrammatically for the centre of this map. Magnetic Value is correct for 1985. Annual Change is 02' Easterly.

GOOLWA BARRAGE LOCK TIMES
Thursday to Monday : 0800-1245, 1330-1800
Tuesday and Wednesday : 0800-1200, 1245-1800

Keep a sharp lookout for fishermen's nets and poles.

Netting prohibited November to March inclusive.

Camping prohibited

EROSION CONTROL: All vehicles prohibited in sand dunes.

Goolwa cockle (closed season - June - October inclusive)

WARNING SIGN Dangerous currents increase in intensity between here and Murray Mouth.

Navigation hazardous due to swift currents, confused seas and shifting sands.
